

I want to keep my privacy under the Indiana No-Call list. I do not want my little bit of peace and quite each day interrupted by pushy telemarketers. I will never sign up for anything from a phone solicitor due to indentity theft scams. I will initiate the call so I know who I'm talking to. I am already upset with all the banks and their flood of junk mail credit card applications. I sure DO NOT want them calling me!!! Thank You!!!
